

## Ministry Partner Opportunities

Every week, life-change happens because of the many volunteers that partner with us in the work of the Gospel. As you read the list below, we pray that God would guide you to an area of service that is consistent with how He has uniquely created you to further His kingdom.

The following Sunday morning opportunities involve serving one month each quarter, during our first or second service on a scheduled rotation (4 months per year).

### Coffee Bar

The Coffee Bar team is responsible for the preparation and set-up of refreshments and beverages on Sunday morning. They don't simply brew coffee; they are responsible for creating an environment where people can begin to cultivate meaningful relationships.

### Greeters

Our greeting team ensures that everyone attending a worship service is met with a friendly face and warm smile. Members of our greeting team are often the first to interact with our visitors and help orient them to the worship center or the right classroom.

### Medical Team

During each Sunday morning service, we have a medical professional available in the worship center in the event someone needs medical attention.

### Parking Team

These faithful servants guide vehicles in and out of the parking lot on Sunday mornings. With hundreds of cars flowing through our campus between services, this team has the daunting task of managing traffic flow in a safe and timely manner.

### Resource Center

The resource center provides helpful tools and media for spiritual growth. The team is available each Sunday morning to assist visitors and members with information, Bibles, resources, and sermon CDs.

### Security Team

The security team ensures that our campus is as safe as possible. They provide a watchful eye over all areas of our campus focusing especially on our children's ministry areas.

### Ushers

Each week our ushers pass out bulletins and help with seating. During the service, ushers also assist with the offering and communion. (members only)

### Welcome Center

These friendly people provide our guests with basic information about the church. Whether they are picking up a copy of our informational "Connect" guide or have questions about a specific ministry, this is where newcomers go to find out more about what is going on at River Oaks.

## Children's Ministries

Join the team of staff and volunteers who are that is passionate about instilling a strong spiritual foundation in our children.

**Noah's Ark:** Give care and love to our infants, toddlers, or preschoolers.

**Kids ROCC:** Do anything from leading a small group of kids, to helping with check-in, to leading children in worship.

**Sunday School:** Provide developmentally appropriate instruction in a classroom environment.

**Special Needs:** Work with these special children so that they can come to a personal relationship with Jesus Christ in an environment that is best suited to their learning style.

## Student Ministries

Join a team that is passionate about seeing students deepen their relationship with Jesus Christ. Whether your desire is to serve behind the scenes or teach to a crowd, we are always looking for godly men and women who want to invest in tomorrow's church.

## Administrative Support

Assist our staff by volunteering in the church office. This important, behind-the-scenes work includes special projects, assembling the Sunday morning bulletins, processing "Hey, I'm Here" cards, and answering the telephone.

## Worship Arts

Use your technical or creative abilities here at River Oaks.

**Technical:** Operate lighting, audio, and PowerPoint during our worship services.

**Creative:** We believe God is the Master Artist and that our artistic talents should be used to reflect His greatness. We need help designing PowerPoint slides, banners, stage décor, and other graphics that help communicate sermon ideas in a visual way.

## Marriage Matters

Strengthen and encourage another couple to move toward oneness by meeting with them over coffee or dinner one evening a month.

If you are interested in serving in any of these capacities contact:
